The only instance in which a customer’s signature is required is when the cancellation is being requested directly by the customer. For all other scenarios—such as loan payoff, repossession, or total loss—the appropriate supporting documentation from the lienholder, dealer, or insurance provider must be provided. Please note that failure to upload the required documentation or to complete the form in full will result in delays to processing and may potentially invalidate the cancellation request.

Legal Attestation Statement

By submitting this form, I hereby certify that all information provided is true, correct, and complete to the best of my knowledge. I further acknowledge and agree that my electronic signature shall have the same force and effect as a handwritten signature, and that Ascent Administration may rely upon this submission

as an official request for cancellation. I understand that providing false, incomplete, or misleading information may result in denial of the cancellation, delay in processing, and/or legal liability.
